Malo više o našim tretmanima...

Microzone - brzi tretman lica, 30'

Brzi tretmani lica obogaćeni biljnim ekstraktima i aromatičnom mješavinom esencijalnih ulja kože pružaju instant efekt visoke blistavosti i hranjivosti. Tretman uključuje čišćenje lica, piling, serume i masku po tipu kože.

Osvježavanje očiju, 30'

Tretman namjenjen za učvršćivanje i toniranje područja oko očiju. Maska na bazi gela bogata vitaminima i antioksidansima hidratizira i potiče limfu vraćajući svježinu umornim očima.

Parafinski tretman ruku ili stopala, 20'

Dubinska hidratacija i revitalizacija kože ruku i stopala na bazi lavande.

Piling ruku ili stopala

morskom soli sa esencijalnim uljima voćnih nota i egzotičnim aromama šipka i smokve.

Klasična manikura, 30'

Tretman uključuje oblikovanje, poliranje i piling nokta. Kožica nokta se potiskuje, odstranjuje te njeguje završnom kremom i esencijalnim uljima.

Refleksna masaža stopala, 15'

Pritisak na akupunkturne točke na stopalu za poboljšanje funkcije cijelog organizma

Piling leđa

sa morskom soli obogaćen biljnim ekstraktima nevena i lavande. Ritual se izvodi toplim oshiburi ručnicima.

Our wellness treatments... a bit more...

Microzone - quick facial treatment, 30'

This treatment uses plant extracts and aromatic mixture of essential oils making the skin fresh and moist. The ritual includes facial cleaning, peeling, application of serum, and a mask according to a particular skin type.

Vital Eyes, 30'

Special mask contains vitamins and antioxidants, and as such hydrates the skin and stimulates the lymph flow around the eye area. The skin is soothed and refreshed.

Paraffin hand or feet treatment, 20'

The massage includes the lavender based mixture that hydrates and revitalizes your skin on hands and feet.

Peeling of hands or feet

uses sea salt and essential oils based on rose hip and figs.

Manicure, 30'

This treatment includes nail shaping, polishing and peeling of the surrounding skin area. Shaping procedure ends with the application of essential oils and a hand cream.

Reflexive Foot Massage, 15'

Accupressure technique improves the functions of bodily organs whose nerve endings connect to the treated skin area.

Peelig of the back area

is performed by warm oshiburi towels that rub off the applied mixture of sea salt and plant extracts of marigold petals and lavender.
